

To whom it may concern,

My name is Jamie DePaolo

I would just like to say that I have enjoyed the additional 15 traffic and weather stations that have come on line on my xm radio. I find it interesting to compare the weather in particular in other cities with that of southern california. Please allow xm to keep these stations and reject NAB's petition 04-160.

Thank you,

Sincerely,

a concerned and devoted subscriber to xm radio

Jamie DePaolo
